**The Department of the Interior
Bureau of Reclamation
Year 2000
Data Exchange Certification**

Office Albuquerque Area Office Region Upper Colorado

I certify that all data exchange issues, with data exchange partners outside of the Bureau of Reclamation, have been identified and appropriate steps have been completed to ensure year 2000 compliance for the affected systems and their data. We have determined that one of the two following conditions exists in this office:

- ☐ There are no data exchange applications in this office
- ☒ Data exchange systems have been identified as noted

Application	Data Exchange Partner	Agreement Placed (Date)
HEC-DSS	US Corps of Engineers	
	Albuquerque, NM
